

- Volunteer Healthcare Professionals Who Want To Make An Impact -

What is GrapeVine?

- GrapeVine is a community-based chronic disease prevention program that is dedicated to helping Wisconsin residents achieve their healthiest potential, at any age.
- We partner with local healthcare professionals and connect directly with community members to share relevant, reliable, accessible health information, support and resources.

How will GrapeVine benefit me, as a healthcare professional?

- Receive free, evidence-based training on chronic disease prevention topics.
- Utilize your clinical background and expertise to lead health education sessions, including:
 - Advance Care Planning - Bone Health - Brain Health - Breast Health - Coping with Stress Through Journaling - Diabetes Prevention - Gynecologic Cancers - Heart Disease & Stroke - Mental Health - Nutrition - Opioid Misuse Prevention - Self Care - Sleep -
- Serve as a resource for health information and strengthen relationships with community members.
- Attend our Annual GrapeVine Conference: A continuing education event for GrapeVine partners including respected speakers, relevant discussions, training, and more!

“Teaching health promoting concepts has always been a natural and important part of my nursing practice. The GrapeVine community education programs were the perfect fit to enhance and expand the efforts of health promotion and disease prevention education.” - GrapeVine Partner

How does GrapeVine impact my community?

- Each year, GrapeVine reaches over 2,000 Wisconsin residents with information to help prevent and reduce risk for chronic diseases. Healthier individuals, create healthier communities.
- 99% of participants feel motivated to improve their health after attending a GrapeVine session.

“Thanks to the materials and GrapeVine training you provided, I was granted a new chapter in my life. Two stents repaired my heart, but it was you who saved my life.” - Heart Attack Survivor

What am I committing to as a GrapeVine partner?

- Watch our online Orientation Video.
- Sign an annual Memorandum of Understanding (MOU).
- Use provided materials to present education sessions (virtually or in-person) to your community.
