

GrapeVine

COVID-19 Policy

Per the WI-DHS and CDC recommendations, GrapeVine encourages the following steps to protect yourself and your community from the spread of COVID-19:

1. Stay up to date on recommended COVID-19 vaccinations.
2. Follow appropriate guidance and mandates as established by your county/community/organization.
3. If recently exposed to COVID-19, follow CDC guidance regarding testing and masking.
4. Know the symptoms (listed below) and stay home if you're sick.

Regardless of vaccination status, do not attend the session if you are experiencing any of the following:

- Fever or chills
- Fatigue
- Muscle or body aches
- Headache
- Nausea, vomiting or diarrhea
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Shortness of breath or difficulty breathing
- Cough

Individuals may choose to wear a mask at any time.

Masks are recommended in some settings and for those who are at high risk of contracting COVID-19.

Masks may be required in some places by local or state authorities, such as healthcare facilities.
