ABOUT WELL BADGER RESOURCE CENTER

The Well Badger Resource Center connects people in Wisconsin with the health and social services they need and deserve.

This is accomplished in two ways:

1. One-on-one information and referral (I&R) services from Certified Community Resource Specialists (Monday through Friday from 7:00 am to 6:00 pm), and an
2. Online, searchable directory of over 7,500 verified health and social services.

Our areas of focus are: health care coverage and services, nutrition, pregnancy and parenting, financial assistance, child health, and mental health and substance use.

WELL BADGER TEAM

Well Badger is managed by the Wisconsin Women's Health Foundation and staffed by a team of health professionals.

Information & Referral Specialists are Certified Community Resource Specialists (CRS) who work one-on-one with families, listening to their stories and connecting them with services and programs to match their needs.

Resource Management Staff maintain and grow a comprehensive, responsive, accurate, user-friendly searchable directory.
